

# Generation 3 Night Vision Monocular ITT NQPVS14

**ITT-NQPVS14.** Manufactured by ITT Industries Night Vision, the leading producer of Gen 3 night vision devices, the NQPVS-14 Gen 3 monocular is designed for the most demanding of nighttime applications. Based on units used by the U.S. military, the NQPVS-14 features the most advanced Gen 3 image intensifier tube with variable gain control to achieve the highest quality image resolution under varying light conditions. The extremely lightweight and versatile PVS-14 can be hand-held, head-mounted or camera/camcorder adapted. Factory new and backed by ITT's comprehensive 2-year warranty, the NQPVS-14 is the ideal device for all "Light the Night" applications.

## Features and Benefits

- High resolution 64 lp (typical), high gain, and high photoresponse in visible and near infrared
- Multifunctional: Hand-held, head-mounted or camera/camcorder adapted
- Variable Gain Control for enhanced performance in altering light conditions
- Camera and video adaptable
- Comprehensive two-year factory warranty

## Standard Accessories Include

- **Head Mount Assembly** - Allows for hands-free operation. Accommodates the user's head size and eye positioning.
- **Medium & Thick Brow Pads** - Changeable pads.
- **Head Mount Adapter** – Attaches NQPVS14 to head mount assembly. Allows the user to position the monocular in front of either eye.
- **Eye Cup** - Prevents the emission of stray light or facial reflections.
- **Soft Carrying Case** – Provides convenient storage.
- **Shoulder Strap** - Attaches to the NQPVS-14 carrying case for easy portability.
- **Lens Paper** – Used to lightly clean the objective and eyepiece glass surfaces.

## Optional Accessories

- 3 in 1 Magnifier Lens
- 2x2 Magnifier Lens
- 3x Magnifier Lens F/1.5
- Sacrificial Window
- Magnetic Compass
- Shipping & Storage Case
- Camera Adapter
- Camera Adapter Kit
- VIP IR Beacon
- VIP IR Dual Beacon
- Guardian Flashing IR Marker
- Steady IR Laser Stik
- Flashing IR Laser Stik
